

SHANKHESHWAR PARSHWANATH BHAGWAN BHARAI

Bharai of the Moolnayak Shwetambar Murti - Shankheshwar Parshwanath Bhagwan is a labh that some of us have probably just thought of and have dreamt of being part of it at some point in our lifetime. One's contribution towards the Shankheshwar Parshwanath Bhagwan Murti Bharai is a result of unlimited Shubhbhav which would result in Punya karm not just when you donate towards the Bharai but each time Sadharmik/fellow Jains perform Darshan, Puja of the Tirthankar Bhagwan. Such opportunities are rare but the JSMW is looking forward to open up this opportunity to as many Sadharmik Jains as possible.

Samuhik Bharai Labh of Shwetambar Moolnayak Murti of Shankeshwar Parshwanath Bhagwan is \$5,001.

This labh is nothing short of building a temple and such opportunity does not knock on your door that often.

This is on a first come first serve basis. So please do not wait to support this and get in touch with us for more details of how you can avail this Labh.

JAIN SOCIETY OF METROPOLITAN WASHINGTON

Our Jain center was established in 1980 and the current temple was built in 1989. Since then JSMW has grown from a handful of families to one of the leading Jain Communities in North America with membership of over 650 families. Our Sunday school enrollment has increased from about 15 to over 150 with 9 different classes.

We are building an all-inclusive 24,000 sq. ft. Jain Center building connected to a 6,000 sq. ft. temple complex. Our goal is very ambitious, equaled only by the magnitude of our dreams. The hopes and aspirations of our community will move our hearts to give generously in support of this initiative!
